Renu™

Instrument Repair Service

Don't throw them away... Renu™ them!

Most offices have pliers lying around that need to be repaired, sharpened or re-tipped. DynaFlex® is proud to offer Renu™, a quality instrument repair service that is both economical and reliable. Most repairs will be returned back to you complete in about 10-14 business days. However, pliers or instruments that need extra attention may take 2-3 weeks.

Simply mail your instruments using the form below.
