

# the **perfect** combination of **beauty** and **strength**

Our new Atlas™ Mini Light Gold brackets are refreshingly beautiful as well as extremely functional. With all the same great features of our Atlas™ Mini bracket along with the aesthetic appeal of Light Gold, your options have no limits with DynaFlex® bracket systems. The Light Gold bracket retains all the strength and durability of the Atlas™ Mini as well as the ultra-smooth slot that improves sliding mechanics and enhances patient treatment time. Our exclusive coating process leaves a brilliant, smooth finish without the risk of abrasion or peeling off. Available in .018 and .022 – Roth or MBT.
