

INSTRUCTIONS: How To Log In or Register For Online Access

DynaFlex® strives to make day to day operations at your office as seamless and efficient as possible. DynaFusion adds to this offering. When you register for an online account at DynaFlex® you'll get full access to the DynaFlex® online capabilities; Access to DynaFusion Digital Rx System, place orders for products/supplies, manage your account, track your packages, pay your bill and more.

How To Log In To DynaFusion:

You have a DynaFlex® online account registered and have your username and password.

1. Log in is located in the top right-hand corner of the DynaFlex® website.
2. Click Log In, fill out your user ID and password, click the USER LOG IN Button.

NOTE: Remember, You can use the same user ID and password that you use to access the DynaFlex® portal or to shop products to gain access to the DynaFusion Digital RX system.

If you have not registered for an online account with DynaFlex®.

1. Select log in on the top right-hand corner of the webpage.
2. Select the red register button on the left of your screen. Fill out the short form and submit.
3. Our Customer Care Team will verify and validate your information, and connect your DynaFlex® Account with online access. You will receive log in access information from our customer support team within 1 business day.

QUICK FAQs:

What if I forgot my password?

On the log in page, underneath the password text box, select "click here to change your password". An email will be sent to the email address on file with instructions for resetting your password.

What if I forgot USER ID?

Your account contains sensitive information, therefore we DO NOT allow for USER ID lookup online.

If you have forgotten your user name, you will need to call our Customer Care Team at 800-489-4020 or email onlineaccess@dynaflex.com. We will confirm your identity and supply the necessary information so you can gain access to your online account.
