STEP 3

Make sure you are using the most updated version of Google Chrome.

Click the three dot icon at the top right of the web browser.
Scroll down to **Help** and click on **About Google Chrome**.

The following screen will then pop up. Under the Google Chrome logo, you will see what version of Chrome you have and if you are up to date or need an update.

**If you need to update Chrome, simply click update.
Most computers will be on automatic updates.*

STEP 4

Clear your cache / browsing data / cookies

1. Type in <chrome://settings/siteData>
2. Search for "dynaflex" (See photo)
3. Click **Remove All Shown**
